

Yes - No

By William Gomes

Yes , Sir , I say no to you
Yes , Sir, I can not say yes to you

Yes , Sir , I have no words in between
Yes, I say no !

I say no to your killing business
You take your breakfast on dead bodies
You count the success on dead bodies
Yes, you dance on the dead bodies !

You say yes to sufferings for others
I say no to your business and success

I say no to your happiness
I say yes to success of the people

I will bring the dead bodies to life

The dead bodies will talk to you
The dead bodies will talk to world
The dead bodies will reveal the secrets !

Dead will charge your dead judges
Dead will convict and punish your gangs
Dead will insure fair trail to your unfair judges
Dead will speak out of every bullets and guns

Yes , you cannot kill them again
Yes , they do not fear to die
Yes, they are dead
Yes, they do not fear to you !

Yes, you will not be able to cry on their dead bodies
Yes, they will never allow you to cry on them
Yes, they will never allow you to make them issues

Yes, no to your yes !
Yes, dead will bring life
Yes , dead will spread the message for life
Yes, you are the issue now !
